RE: KDMIX-SL-FS-WS-B15

Effective immediately, due to very damaged shield tooling, Kycon part number KDMIX-SL-FS-WS-B15 has been discontinued. If you should need any of these parts right away, please contact your Kycon Sales Representative as we have some stock we can offer.

In the near future, Kycon will release an upright HDMI without the flange. Kycon part number is KDMIX-SL1-NS-WS-B15. We currently have stock of the non-flange version, so if you would like samples or a drawing, please advise our sales team.

We sincerely apologize for the short notice.
