RE: KF42X-E15S/S-A4N35 – planned EOL

Due to worn tooling, Kycon part number **KF42X-E15S/S-A4N35** is planned for EOL on 6/12/2015. Because there is very little activity for this part we will not create new tooling. We can continue to offer the part until the EOL date. However, the MOQ will increase to 3K pcs until that time.
