Re: EOL

Part numbers:
KUSBEX-SMT2-AS1N-B30TR; KUSBEX-SMT2-AS1N-BTR
KUSBEX-SMT2-AS1N-W30TR; KUSBEX-SMT2-AS1N-WTR

The above part numbers will be discontinued. We can offer buys as long as we have stock.
Please contact your sales representative for requirements.

Kycon has tooled a lower cost alternate part series that will be available in Q2 2019.
These are not drop in replacements. The PCB layout is close but not identical so we highly suggest
sampling if you are looking to add this series as an alternative.

The alternate part numbers and a redline drawing are below:

KUSBX-SMT4-ASFS1N-B30TR
KUSBX-SMT4-ASFS1N-BTR
KUSBX-SMT4-ASFS1N-W30TR
KUSBX-SMT4-ASFS1N-WTR
